

EAP Legal and Financial Services

Do you need help with a legal or financial matter?

Health Resources Employee Assistance Program provides you with high-quality, cost-effective legal or financial resources.

Our legal resources can help you when:

- You need legal information or encounter any legal problem *excluding job related legal issues*.
- You need advice or assistance in drafting legal documents.
- A review of legal issues prior to a court appearance is necessary.
- You have received notice of a suit, summons, or subpoena to appear in court.

A legal referral provides:

- A free 30-minute office or telephone consultation per legal matter.
- A 25% discount for additional services provided by a contracted lawyer.

Our financial resources can help you when:

- You need credit counseling
- You need assistance with debt and financial planning
- You need advice for tax purposes
- You have questions about retirement or college planning

A financial referral provides:

- A free 30-minute telephone consultation per financial matter.
